

Friends of Africa - Anglophone West African IAP Division Cytopathology Course
University College Hospital, Ibadan, Nigeria
August 20 – 26, 2006

Faculty:

Dr Jaiye Thomas - St Barnabas Medical Center, New Jersey
Dr Jennifer Brainard – Cleveland Clinic, Cleveland, Ohio
Dr Fred Silva - Executive Director of USCAP, Augusta, GA
Dr Adekunle M. Adesina - Baylor College of Medicine, Houston, TX
Dr Patricia Thomas - Kansas University Medical Center, Kansas
Zelma Casson - University of Mississippi Medical Center, Jackson, MS

Monday, August 21

9 –12 **Opening ceremony**

Presentations:

Welcome address:

Professor Akinyinka Omigbodun, Provost, College of Medicine

The future of pathology - A USCAP perspective:

Dr Fred Silva, Executive Director - USCAP

The role of Cytopathology in the delivery of health care in a developing country:

Dr. Jaiye Thomas

2 – 3.30 Cervicovaginal cytology - Squamous lesions – **Zelma Casson**

3..15 – 3.30 Break

3.30 – 5.00 Cervicovaginal cytology - glandular lesions – **Dr Patricia Thomas**

Tuesday, August 22

9 – 10.30 Serous cavities - Pleural, peritoneal and pericardial - **Dr Jaiye Thomas**

10.30 – 11.00 Break

11.00 – 12.30 Pulmonary Cytopathology – **Dr Jennifer Brainard**

12.30 – 2.00 Lunch Break

Practical Session – Microscopic slide review

2.00 – 2.45 Introduction to slide review – **Zelma casson, Dr Patricia Thomas, Dr J Thomas, and Dr Jennifer Brainard**

2.45 – 5.00 Microscopic slide review

Wednesday, August 23

- 9 – 10.30 Cytopathology of Central Nervous system lesions – **Dr Kunle Adesina**
- 10.30 – 11.00 Break
- 11.00 – 12.30 FNA and Head /Neck with emphasis on Thyroid and Salivary gland neoplasia - **Dr Jennifer Brainard**
- 12.30 - 2.00 Lunch Break
- 2.00 – 4.00 Medical Renal Pathology Review / Q & A – **Dr Fred Silva (Campus wide lecture for pathology, nephrology, internal medicine, pediatrics, general practice residents and consultants)**
- 4.15 – 5.00 Quality control and quality assurance in Cytopathology – **Drs Thomas, Brainard, Cason and Thomas-Ogunniyi**

Thursday, August 24

- 9.00 - 10.30 Urinary cytopathology and Classification of urothelial neoplasia – **Dr Patricia Thomas**
- 10.30 – 11.00 Break
- 11.00 - 12.30 Application of FNA to lymphoglandular lesions - **Dr Jennifer Brainard**
- 12.30 – 2.00 Lunch Break

Practical Session – Microscopic slide review

- 2.00 – 2.45 Introduction to slide review – **Zelma casson, Dr Patricia Thomas, Dr Jennifer Brainard, Dr J Thomas, Dr Adesina**
- 2.45 – 5.00 Microscopic slide review

Friday, August 25

- 9.00 – 10.30 FNA Breast Pathology – **Dr Patricia Thomas**
- 10.30 – 11.30 Break
- 11.00 – 12.30 Soft tissue Tumors – **Dr Jaiye Thomas**
- 12.30 – 2.00 Lunch Break
- 2.00 – 3.00 Genetics, ethics and ewe (or eve)...Genetic Testing/Genetic Engineering and the Challenges)– **Dr Fred Silva, Exective Director, USCAP (Campus wide lecture for pathology, nephrology, internal medicine, pediatrics, surgery, general practice residents, consultants and medical students)**
- 3.00 – 3.45 Capacity building in molecular pathology and molecular genetics- **Panel Discussion and Q & A session**

Practical Session – Microscopic slide review

- 3.45 – 5.00 Microscopic slide review

**Friends of Africa - Anglophone West African Division of IAP
2nd Annual Scientific and Surgical Oncologic Pathology Conference
August 20 – 24, 2007**

Faculty:

Dr Phyllis Huetner – Washington University, St Louis, MO
Dr Jaiye Thomas – University of Kansas Medical Center, Kansas City
Dr Brian West – Director, Ameripath, New York, NY
Dr Adekunle M. Adesina - Baylor College of Medicine, Houston, TX
Dr Patrick Adegboyega – Louisiana State University Health Sciences Center, Shreveport
Dr Sherif Ibrahim – New York University and Memorial Sloan Kettering Cancer Center, New York, NY

Monday, August 20

- 8.00 - Registration
- 9 – 9.30 **Opening Remarks – President, West African IAP**
- 9.30 – 10.30 Lecture – Gynecologic Pathology I – Uterus, cervix, vagina – **Dr. Huettnner**
- 10.30 – 11.00 Break**
- 11.00 – 12.30 Lecture – Gynecologic Pathology II – Uterus, cervix, vagina – **Dr. Huettnner**
- 12.30 – 2.00 Lunch Break
- 2 – 3.30 Systematic approach to liver interpretation, staging and grading of hepatitis, fatty liver disease, autoimmune diseases of the liver, cholangiopathies – **Dr West**
- 3.30 – 4.00 Break
- 4.00 – 5.30 Case discussions – **All Faculty**

Tuesday, August 21

- 9.00 - 10.30 Lecture – Non-neoplastic biopsy pathology of the GI tract, an approach to diagnosis – **Dr West**
- 10.30 – 11.00 Break
- 11.00 - 12.30 Classification of Non-Hogdkin's lymphoma - **Dr Sheriff Ibrahim**
- 12.30 – 2.00 Lunch Break
- 2.00 – 3.30 Recent entities in Surgical Neuro-oncology – **Dr Kunle Adesina**
- 4.00 – 5.30 Case discussions - **All faculty**

Wednesday, August 22

- 9 – 10.30 - Hodgkin's lymphoma and reactive lymphoproliferative disorders – **Dr Sheriff Ibrahim**

10.30 – 11.00 Break

11.00 – 12.30 Gynecologic Pathology III - Ovarian tumors – **Dr. Heuttner**

Lunch and out of town activity for visiting faculty

Thursday, August 23

9 – 10.30 Lecture – Head and Neck Pathology – Salivary gland tumors - **Dr Adegboyega**

10.30 – 11.00 Break

11.00 – 12.30 Head and Neck Pathology - Thyroid - **Dr Adegboyega**

12.30 – 2.00 Lunch Break

Plenary Session – Presentation of Abstracts

2.00 – 4.00

4.00 – 5.30 pm – Case discussions - **All faculty**

Friday, August 24

9.00 – 10.30 Case discussions – **All faculty**

10.30 – 11.30 Break

11.00 – 12.30 - Quality control and quality assurance in Surgical pathology – **Dr Jaiye Thomas**
leading panel discussion

12.30 – 2.00 Lunch Break

2.00 – 4.00 pm Review of Pathology training guidelines – standardization of residents' experience

**Friends of Africa - Anglophone West African Division of IAP
3rd Annual Scientific and Surgical Oncologic Pathology Conference
August 25 – 29, 2008**

Faculty:

Dr Anna Sienko – Peter Lougheed Hospital Center, University of Calgary, Calgary, Alberta
Dr Henry Tazelaar – Mayo Clinic, Scottsdale, AZ
Dr Josefina Heim-Hall - University of Texas, San Antonio, TX
Dr Jennifer Brainard - Cleveland Clinic, Cleveland, Ohio
Dr Lekidelu Tadesse-Heath - Howard University, Washington DC
Dr Adekunle M. Adesina - Baylor College of Medicine, Houston, TX

Sunday, August 24

Arrival

Monday, August 25

- 8.00 – 11.00** **Registration and Opening ceremony**
- 9 – 9.15 **Opening Remarks – President, West African IAP**
- 9.15 – 10.00** **Guest speakers - Federal Minister for Health or His representative**
 - Oyo State Commissioner for Health
 - Provost, College of Medicine – Professor Akinyinka Omigbodun
 - Chief Medical Director, University College Hospital, Ibadan
- 10.00 – 11.00 Guest Lecture (Open to the public) – Pathology and the changing future of Medicine –
 Dr. Adesina
- 11.00 – 11.30 **Interlude**
- 11.30 – 12.30 Lecture – Gynecologic Pathology I – Ovarian tumors I – **Dr. Brainard**
- 12.30 – 2.00 Lunch Break
- 2 – 3.30 Gynecologic Pathology II – Ovarian tumors II – **Dr. Brainard**
3.30 – 4.00 Break
- 4.00 – 5.30 Case discussions – **All Faculty**

Tuesday, August 26

- 9.00 - 10.30 Lecture – Clinicrodiopathology correlation in the diagnosis of bone tumors – **Dr Heim-Hall**
- 10.30 – 11.00 Break
- 11.00 - 12.30 Extranodal lymphomas and the mucosa associated lymphoid tumors - issues in
 differential diagnosis – **Dr Tadesse-Heath**
- 12.30 – 2.00 Lunch Break

2.00 – 3.30 Ensuring competency in Pathology – The role of training programmes and regulatory agencies in graduate training and education – The USA and Canadian experience - **Dr Sienko**

4.00 – 5.30 Case discussions - **All faculty**

Wednesday, August 27

9 – 10.30 - Gynaecologic Pathology III – Uterine cervix tumors and tumor-like lesions – **Dr Brainard**

10.30 – 11.00 Break

11.00 – 12.30 Issues in differential diagnosis of pediatric soft tissue sarcomas - **Dr Heim-Hall**

Lunch and out of town activity for visiting faculty

Thursday, August 28

9 – 10.30 Role of molecular diagnostics in the definition of entities and prognosis of Non-Hodgkin's lymphomas and Leukemias - a case for the development of molecular diagnostic competence in the developing world - fact or hype ? **Dr Taddesse-Heath**

10.30 – 11.00 Break

11.00 – 12.30 Primers in Neuropathology - **Dr Adesina**

12.30 – 2.00 Lunch Break

Plenary Session – Presentation of Abstracts/Interactive sessions with AWADIAP members

2.00 – 4.00

4.00 – 5.30 pm – Case discussions - **All faculty**

Friday, August 29

9.00 – 10.30 Lung, mediastinal / pleura Pathology – **Dr Tazelaar / Dr Sienko**

10.30 – 11.30 Break

11.00 – 12.30 - Lung, mediastinal / pleura Pathology – **Dr Tazelaar / Dr Sienko**

12.30 – 2.00 Lunch Break

2.00 – 3.30 pm - Lung, mediastinal / pleura (and cardiac) Pathology – **Dr Tazelaar / Dr Sienko**

3.30 – 4.00 Break

4.00 – 5.30 Case discussions - Dr Tazelaar / Dr Sienko

Saturday, August 30

Badagry Visit to historical sites and places

Sunday, August 31

Departure

**Friends of Africa - Anglophone West African Division of IAP
4th Annual Scientific Conference
August 24 – 28, 2009**

Faculty:

Dr Syed A. Hoda, Weil Cornell Medical College, New York, NY
Dr Rana Hoda, Weil Cornell Medical College, New York, NY
Dr Armando Fraire – University of Massachusetts, Boston, MA
Dr Josefina Heim-Hall - University of Texas, San Antonio, TX
Dr Debra Kearney – Texas Children’s Hospital, Baylor College of Medicine, Houston, TX
Dr Tarik Tihan – University of California, San Francisco, CA
Dr Adekunle M. Adesina - Baylor College of Medicine, Houston, TX

Sunday, August 23

Arrival

Monday, August 24

- 8.00 – 11.00 Registration and Opening ceremony**
- 9 – 9.15 **Opening Remarks – President, West African IAP**
- 9.15 – 10.00 Guest speakers - Federal Minister for Health or His representative**
- **Provost, College of Medicine – Professor Akinyinka Omigbodun**
- **Chief Medical Director, University College Hospital, Ibadan.**
- 10.00 – 11.00 Guest Lecture (Open to the public) – Pathology of breast tumors: what have we learnt?
– **Dr. S. Hoda**
- 11.00 – 11.30 **Interlude**
- 11.30 – 12.30 Lecture – Perinatal Autopsy – General Bolts and nuts I – **Dr Heim-Hall**
- 12.30 – 2.00 Lunch Break
- 2 .00 – 3.30 Non-neoplastic lung disease – ABC of small airways and interstitial lung disease – **Dr Fraire**
- 3.30 – 4.00 Break
- 4.00 – 5.30 FNA Cytopathology of breast tumors – **Dr R. Hoda**

Tuesday, August 25

- 9.00 - 10.30 Diagnostic Pathology of breast cancers – **Dr S. Hoda**
- 10.30 – 11.00 Break
- 11.00 - 12.30 FNA Cytopathology of Head and Neck Tumors – **Dr R. Hoda**
- 12.30 – 2.00 Lunch Break
- 2.00 – 3.30 Developing and maintaining a quality assurance program in Surgical Pathology – **Dr Tihan**

3.30 – 4.00 Break

4.00 – 5.30 Pathology of Cardiac malformations I – **Dr Kearney**

Wednesday, August 26

9 – 10.30 - Pathology of Cardiac malformations II – **Dr Kearney**

10.30 – 11.00 Break

11.00 – 12.30 Perinatal Autopsy – Bolts and nuts II – Placental Pathology - **Dr Heim Hall**

Lunch and out of town activity for visiting faculty

Thursday, August 27

9 – 10.30 Pediatric autopsy – wrapping up a clinical story. – **Dr Kearney**

10.30 – 11.00 Break

11.00 – 12.30 Neoplastic lung disease – **Dr Fraire**

12.30 – 2.00 Lunch Break

Plenary Session – Presentation of Abstracts/Interactive sessions with AWADIAP members

2.00 – 4.00

4.00 – 5.30 pm – Case discussions - **All faculty**

Friday, August 28

9.00 – 10.30 Neuropathologic complications of cardiovascular disease - **Dr Adesina**

10.30 – 11.30 Break

11.00 – 12.30 - Developing an immunohistochemistry laboratory and basic steps to ensuring quality – **Dr Tihan**

12.30 – 2.00 Lunch Break

2.00 – 3.30 - Question and Answers – All you wanted to know but never had time to ask – **All faculty**

3.30 – 4.00 Break

4.00 – 5.30 Case discussions – All faculty

Saturday, August 29

Badagry Visit to historical sites and places

Sunday, August 30

Departure

**Friends of Africa - Anglophone West African Division of IAP
5th Annual Pathology Conference
August 23 – 29, 2010**

Faculty:

Dr Sam Gulino – Chief Medical Examiner, Medical Examiner's Office, Philadelphia, PA
Dr Jacqueline Lee - Deputy Chief Medical Examiner, Tampa, FL
Professor Sebastian Lucas, Professor of Histopathology, King's College London School of Medicine, St Thomas' Hospital, London, UK
Dr Armando Fraire – Professor of Pathology, University of Massachusetts, Worcester, MA
Dr Christine Fuller, Professor of Pathology, Virginia commonwealth University, Richmond, VA
Dr Debra Kearney – Associate Professor of Pathology and Immunology, Texas Children's Hospital, Baylor College of Medicine, Houston, TX
Dr Wole Ajagbe, Adjunct Professor of Oral Pathology, Howard University, Washington, DC
Dr Adekunle M. Adesina - Professor of Pathology and Immunology, Texas Children's Hospital, Baylor College of Medicine, Houston, TX

**Conference theme - Issues in Pathology
Conference subtheme - Issues in Forensic pathology**

Sunday, August 22

Arrival/ Registration

6.00-8.00pm Welcome cocktail

Monday, August 23

8.00 – 11.00 Registration and Opening ceremony

9 – 9.15 Opening Remarks – President, West African IAP

9.15 – 10.00 Guest speakers - Federal Minister for Health or His representative
- **Governor of Lagos State or His representative**
- **Commissioner for Health Lagos State**
- **Commissioner for Police**
- **Attorney general**

10.00 – 11.00 Guest Lecture (Open to the public) – The challenges of developing effective laboratory services in a developing country; lessons from the experience of the developed world– Prof Lucas

11.00 – 11.30 Interlude

11.30 – 1.00 Symposium on Forensic Pathology and the coroners system in Nigeria
1. The coroner's system in Nigeria, from independence to date - Prof. W.O.Odesanmi
2. The state of the coroner's law in Nigeria- Mr. J. Ottey CEO, Access to justice.
3. The coroner's law in a developing country: the role of the police in Nigeria- S.E. Arase
4. Experience of the Chief Medical examiner: The journey so far - Prof. J.O. Obafunwa

1.00 – 2.00 Discussions / Lunch Break

- 2.00 – 3.30 Lecture – Sudden unexplained death in infants - investigational clues and determination of cause of death - **Dr Lee**
- 3.30 – 4.00 Break
- 4.00 – 5.30 Sudden unexplained death in adults - investigational clues and determination of cause of death – **Dr Gulino**

Tuesday, August 24

- 9.00 - 10.30 Non-neoplastic lung disease – ABC of small airways and interstitial lung disease – **Dr Fraire**
- 10.30 – 11.00 Break
- 11.00 - 12.00 Pathology of Cardiomyopathies – **Dr Kearney**
- 12.00 - 1.00 Small blue cell tumors of the central nervous system: issues in differential diagnosis - **Dr Fuller**
- 1.00 – 2.00 Lunch Break
- 2.00 – 3.30 Autopsy related issues in low resource settings - **Professor Lucas**
- 3.30 – 4.00 Break
- 4.00 – 5.30 Investigation of trauma related deaths – **Dr Lee**

Wednesday, August 25

- 9 – 10.30 - Application of toxicology in forensic practice - a review of clinically illustrative cases **Dr Gulino**
- 10.30 – 11.00 Break
- 11.00 – 12.30 Small blue cell tumors outside of the central nervous system: issue in differential diagnosis - **Dr Christine Fuller**
- 1.30 - 5.30 Paper presentations

[Lunch and out of town activity for visiting faculty - Visit to historical sites in Badagry]

Thursday, August 26

- 9 – 10.30 Pathology of coronary artery malformations. – **Dr Kearney**
- 10.30 – 11.00 Break
- 11.00 – 12.30 Neoplastic lung disease – Mesenchymal tumors - **Dr Fraire**
- 12.30 – 2.00 Lunch Break
- 2.00 – 3.30 Pathology of GIT infections - Prof Lucas

4.00 – 5.30 Applications of FISH in solid tumor diagnosis and management: knots and bolts of the methodology- **Dr Christine Fuller**

Friday, August 27

9.00 – 10.30 Mass disasters and forensic pathology challenges - **Drs Lee and Gulino**

10.30 – 11.30 Break

11.00 – 12.30 - Forensic Odontology - **Dr Wole Ajagbe**

12.30 – 2.00 Lunch Break

2.00 – 3..30 - Neuropathology of Trauma - **Dr Adesina**

3.30 Closing and announcements

Faculty to proceed to Ibadan

Saturday, August 28

Ile-Ife and Ibadan - Visit to historical sites and places

Sunday, August 29

Site visit in Lagos - historical places and evening departure

**Friends of Africa - Anglophone West African Division of IAP
6th Annual Pathology Conference
August 22 – 26, 2011**

Faculty:

Zelma Cason, Associate Professor, School of Cytotechnology, University of Mississippi, Jackson, MS

Dr Terri Longacre, Professor of Pathology, Stanford University, Stanford, CA

Francisca Nkadi, Capella University, USA

Dr Wole Ajagbe, Adjunct Professor of Oral Pathology, Howard University, Washington, DC

Dr Adekunle M. Adesina - Professor of Pathology and Immunology, Texas Children's Hospital, Baylor College of Medicine, Houston, TX

Dr Modupe Samaila, Consultant Pathologist, Ahmadu Bello University Teaching Hospital Zaria.

Theme

'THE ROLE OF PATHOLOGISTS IN PREVENTION, DIAGNOSIS AND PROGNOSTIFICATION OF CANCERS'

Sub-themes

1. **Molecular tools in cancer diagnosis, prognostification and surveillance**
2. **Molecular diagnosis of cancer related infectious agents**

Sunday, August 21, 2011

Arrival

Monday, August 22, 2011 (Boling Hotel Conference Center)

8.00 – 11.00 Registration and Opening ceremony

9 – 9.15 Opening Remarks – President, West African IAP

9.15 – 10.30 Guest speakers - Federal Minister for Health or His representative
- Chief Medical Director, National Hospital, Abuja
- Provost, College of Medicine, University of Abuja

10.30 – 11.30 Guest Lecture (Open to the public) –

**Cancer diagnosis and management in the 21st century - the future of personalized medicine –
Dr Adekunle Adesina**

11.30 – 12.30 Interlude with group photographs

12.30 – 1.30 Lunch Break

- 1 .30 – 3.00 Pathologists as leaders for change -Understanding the ABCs of successful and effective leadership – **Francisca Nkadi**
- 3.00 – 3.30 Break
- 3.30 – 5.00 The role of stem cells in tumor biology; an update - **Dr Adesina**

Tuesday, August 23

- 9.00 - 10.00 Pathology of common oral tumors I - **Dr Wole Ajagbe**
- 10.00 – 10.30 Break
- 10.30 – 11.30 Pathology of common oral tumors II - **Dr Wole Ajagbe**
- 11.30 – 12.30 Pathology of Skin Tumors, the Nigerian Experience – **Dr Dupe Samaila**
- 12.30 – 1.30 Lunch Break
- 1.30 – 2.30 Gynae Cytopathology I- **Zelma Cason**
- 2.30 – 3.00 Break
- 3.00 – 4.00 Pathology of ovarian tumors - **Dr Longacre**
- 4.00– 5.00 Issues in leadership - Legacy and maintaining the momentum of effective leadership / Q and A - **Francisca Nkadi**

Wednesday, August 24

- 9.00 – 10.00 Pathology of uterine cervical tumors - **Dr Longacre**
- 10.00 – 10.30 Break
- 10.30 – 12..30 WADIAP Abstract presentations
- 12.30 2.00 **Lunch**
- 2.00 5.00 WADIAP AGM + Inauguration of New President

Thursday, August 25

- 9.00 - 10.00 Gynae Cytopathology II- **Zelma Cason**
- 10.00 -11.00 ABC of glioma diagnosis - a primer for the general surgical pathologist - **Dr Adesina**

- 11.00-11.30 Break
- 11.30- 12.30 Gynae Cytopathology III - **Zelma Cason**
- 12.30 – 1.30. Lunch Break
- 2.00 – 3.30 Use of cytopathology in the diagnosis of brain tumors - a primer for the general surgical pathologist - **Dr Adesina**
- 3.30.00 – 7.00 Rest
- 7.00- 9.00 Dinner, Awards, and announcements

Friday, August 26

Departure of Participants

Tour for Faculty and interested participants

- Abuja City Tour
- Visit to Ushafa Pottery Village
- Visit to Lower Usman Dam
- Lunch at an Indigenous Restaurant

**Friends of Africa - West African Division of IAP
7th Annual Pathology Conference and
USCAP-WADIAP School of Pathology
August 26 – 30, 2013**

Faculty:

Dr Bruce Smoller – Executive Vice President, USCAP

Dr Mike Talbert - Professor of Pathology and Chair, Department of Pathology, University of Oklahoma Health Sciences Center, Oklahoma City, OK

Dr Suzanne Powell, Professor of Pathology, Vice Chair for Education, The Methodist Hospital and Weill Cornell Medical College, Houston, TX

Dr Thuy Phung - Assistant Professor of Pathology, Baylor College of Medicine, Houston, TX

Dr Adekunle M. Adesina - Professor of Pathology, Immunology and Pediatrics - Hematology / Oncology, Texas Children's Hospital, Baylor College of Medicine, Houston, TX

Conference theme

Pathology Laboratory Quality Management in West Africa

Sub Themes:

- **Strengthening Laboratory Management Towards Accreditation**
- **Updating Residency Training In Pathology in West Africa**
- **Diagnostic issues in Dermatopathology**

Sunday, August 25

Arrival/ Registration

6.00-8.00pm Welcome cocktail

Monday, August 26

8.00 – 11.00 Registration and Opening ceremony

9 – 9.15 Opening Remarks – President, West African IAP

**9.15 – 10.30 Guest speakers - Provost - University of Ghana Medical School
- Vice Chancellor, University of The Cape Coast**

10.30 - 10.45 Special Guest remarks - Dr Bruce Smoller, Executive Vice President, USCAP

10.45 – 11.30 Guest Lecture (Open to the public) – The challenges for Pathology in sub-Saharan Africa in the 21st century - Dr Adesina

11.30 – 1.30 Interlude / Lunch

1.30 – 3.30 Formal launching of the USCAP-WADIAP School of Pathology

Opening lecture: Non-melanocytic cutaneous tumors including epidermal, adnexal and primary mesenchymal tumors Part I - **Dr Smoller**

3.30 – 4.00 Break

4.00 – 5.30 Designing a residency training program curriculum - ACGME expectations - **Dr Suzanne Powell**

Tuesday, August 27

9.00 - 10.30 ABC of laboratory management - the role of Directors of Anatomic Pathology - **Dr Mike Talbert**

10.30 – 11.00 Break

11.00 - 12.30 Non-neoplastic inflammatory skin diseases Part I (including general principles of diagnosis of the dermatosis etc) - **Dr Phung**

12.30 - 1.30 Lunch Break

2.00 – 5.30 Presentation of Abstracts

Wednesday, August 28

9 – 10.30 Ensuring quality in Pathology education - Nuts and bolts.- **Dr Suzanne Powell**

10.30 – 11.00 Break

11.00 – 12.30 Non-melanocytic cutaneous tumors including epidermal, adnexal and primary mesenchymal tumors Part II - **Dr Smoller**

1.30 - 5.30 Business meetings / other business matters

[Lunch and out of town activity for visiting faculty - Visit to historical sites in Cape Coast

Thursday, August 29

9 – 10.30 QA-QC as the bedrock of excellence in Anatomic Pathology - Nuts and bolts – **Dr Mike Talbert**

10.30 – 11.00 Break

11.00 – 12.30 Subspecialist training - a case for excellence in postgraduate education - **Dr Suzanne Powell**

12.30 – 2.00 Lunch Break

2.00 – 3.30 Non-neoplastic inflammatory skin diseases Part II (including granulomatous dermatitis and cutaneous panniculitis) - **Dr Phung**

4.00 – 5.30 Changes in the epidemiology of pediatric soft tissue tumors - the West African experience

Friday, August 30

9.00 – 10.30 Management issues in Academic Pathology and commercial / private practice pathology settings - compare and contrast - **Dr Mike Talbert**

10.30 – 11.30 Break

11.00 – 12.30 Pathology practice in sub-Saharan Africa - a potpourri of interesting and challenging cases - Part I

12.30 – 2.00 Lunch Break

2.00 – 3.30 Pathology practice in sub-Saharan Africa - a potpourri of interesting and challenging cases - Part II

3.30 Closing and announcements

Saturday, August 28

Site visit in Accra - historical places and evening departure

**Friends of Africa - Anglophone West African Division of IAP
(co-sponsored by AORTIC)
8th Annual Pathology Conference
August 24 – 28, 2015**

Faculty:

- **Professor dr med Steffen Hauptmann**, Professor of Gynaecological Pathology, Institute of Pathology at the Hospital Düren, Member of the supra-local over BAG for histology, cytology and Molecular Diagnostics Düren - Trier Roonstr.30 PO Box 100947 52309 Düren
- **Dr Oyedele Adeyi, Associate Professor**, Consultant Liver & Transplantation Pathology University Health Network, Laboratory Medicine Program, University of Toronto, Toronto, Canada
- **Dr Olukemi Esan, Assistant Professor**, West Virginia University School of Medicine Morgantown, WV,
- **Dr Moses Adeyanju, Adjunct Assistant Professor, Southern IL University Springfield IL**
- **Dr Adekunle M. Adesina - Professor of Pathology & Immunology and Pediatrics**, Texas Children's Hospital, Baylor College of Medicine, Houston, TX
- **Dr Adesegun T Abudu**, Consultant Surgeon, Royal Orthopedic Hospital, Birmingham, UK

Theme

'THE ROLE OF PATHOLOGISTS IN ONCOLOGIC DIAGNOSIS AND MANAGEMENT'

Sub-theme

- Gynecologic pathology essentials and update

Sunday, August 23, 2015

Arrival

Monday, August 24, 2015 (Bolingbo Hotel Conference Center)

8.00 – 11.00 Registration and Opening ceremony

9 – 9.15 Opening Remarks – President, West African IAP

9.15 – 10.30 Guest speakers - Vice Chancellor, University of Ibadan or His representative
- Chief Medical Director, University College Hospital
- Provost, College of Medicine, University of Ibadan

10.30 – 11.30 Guest Lecture (Open to the public) –

**The molecular pathogenesis of gynaecological cancers-An overview
Professor Steffen hauptman**

12.30 1.30 Lunch Break

- 1 .30 – 3.00 Pathology - an essential component of medical and policy decision making - **Professor Adekunle M. Adesina**
- 3.00 – 3.30 Break
- 3.30 – 5.00 Reactive lymphadenopathies - **Dr Olukemi Esan**

Tuesday, August 25

- 9.00 - 10.00 Cytopathology of common breast lesions I - **Dr Moses adeyanju**
- 10.00 – 10.30 Break
- 10.30 – 11.30 Hodgkin's lymphomas - Issue in differential diagnosis - **Dr Olukemi Esan**
- 11.30 – 12.30 Cytopathology of the thyroid / lumps and bumps - **Dr Moses Adeyanju**
- 12.30 – 1.30 Lunch Break
- 1.30 – 2.30 HPV-associated squamous and glandular cervical neoplasia: cytology, histology, and molecular pathology- **Professor Steffen Hauptmann**
- 2.30 – 3.00 Break
- 3.00 – 4.00 Neoplastic disease of the endometrium- **Professor Steffen Hauptmann**
- 4.00– 5.00 Issues in leadership - Legacy and maintaining the momentum of effective leadership / Q and A - **Moderator - Professor Adekunle M. Adesina**

Wednesday, August 26

- 9.00 – 10.00 Ovarian carcinoma and the Fallopian tube - **Professor Steffen Hauptmann**
- 10.00 – 10.30 Break
- 10.30 – 12..30 Case illustration in Gynecologic pathology - **Professor Steffen Hauptmann**
- 12.30 2.00 **Lunch**
- 2.00 - 3.00 Non-Hodgkin lymphomas - An update - **Dr Olukemi Esan**
- 3.00 - 5.00 WADIAP AGM

Thursday, August 27

- 9.00 - 10.00 Hepatocellular carcinoma: The disease, its sponsors and victims - **Dr O. Adeyi**
- 10.00 -11.00 Use of cytopathology in the diagnosis of brain tumors - a primer for the general surgical pathologist - **Dr Adesina**
- 11.00.11.30 Break
- 11.30- 12.30 Problematic Vascular Neoplasms of the Liver and Recent Updates - **Dr O Adeyi**
- 12.30 – 1.30. Lunch Break
- 2.00 – 3.00 Clinico-Pathologic correlation - The clinician/pathologist dialogue - **Dr OAdeyi / Dr A Abudu**
- 3.30 – 4.30 Interesting case illustrations - **Selected faculty**
- 7.00 - 9.00pm Dinner, Awards, and announcements

Friday, August 28

Departure of Participants

Tour for Faculty and interested participants

3rd WADIAP-USCAP School of Pathology / 10th Annual Scientific Conference of West African Division of International Academy of Pathology in conjunction with Friends of Africa-USCAP initiative

(Sponsored by USCAP; Co-sponsored by IARC, RCPATH and AORTIC)

29 August – 1st September, 2016

Faculty:

1. Prof Adekunle Adesina - Baylor College of Medicine, Houston TX, USA
2. Prof Isidore Diomande - University Felix Houphouet- Boigny Cocody Abidjan, Cote d'ivoire
3. Prof Theodorus van der Kwast - University of Toronto, Toronto, CA
4. Dr Maimuna Mendy - IARC
5. Dr Behnoush Abedi-Ardekani - IARC
6. Dr Elodie Caboux – IARC
7. Dr Kemi Esan, West Virginia University, Morgantown WV

Theme “ PATHOLOGISTS IN CANCER MANAGEMENT”

Sub Themes

1. “Immunohistochemistry and Laboratory Diagnosis of Cancer”
2. “Leadership in Pathology Practice

Sunday, August 28

Arrival

Monday, August 29

8.00 – 11.00 Registration and Opening ceremony

9 – 9.15 Opening Remarks – President, West African IAP

9.15 – 10.30 Guest speakers

-Dean, of Medical School, University Felix Houphouet- Boigny Abidjan-Cocody Cote d'ivoire Abidjan

- Minister of Health of Cote d'ivoire.

10.30 – 12.00	Guest Lecture - Recent advances in prostate carcinoma diagnostics - Prof van der Kwast
12.00 – 1.30	Interlude and Lunch Break
1.30 – 2.30	Lecture - Prof Mohenou Diomande
2.30 – 3.30	Approaching lymph node biopsies: Diagnostic tools - Dr Kemi Esan
3.30 – 4.00	Coffee break
4.00 - 4.30	Pathologists as leaders for change - Understanding the ABCs of successful and effective leadership
4.30 – 5.30	Exploring opportunities for Anglophone and Francophone collaboration in education, research and training – Round table dialogue – Moderator: Dr U Eze

Tuesday, August 30

08:00-09:00	Registration	
09:00-09:30	Introduction to Biobanking	Dr Maimuna Mendy, IARC
09:30-10:30	Role of pathologists in the current scientific and research era: a. Appropriate processing of tissue samples for diagnosis and research: do we need to have two different approaches? b. Ancillary diagnostic methods i. Brief review of available methods ii. Role of quality assurance iii. How we can rely on our findings? c. Molecular pathology: needs and benefits i. What kind of samples in a clinical set up could be used? ii. The link between standardized tissue processing and molecular pathology	Dr Behnoush Abedi-Ardekani, IARC

10:30-11:00	CoffeeBreak	
11:00-11:30	Role of pathologists in the current scientific and research era, cont'd	Dr Behnoush Abedi-Ardekani, IARC
11:30-12:30	Preanalytical steps in sample handling	Dr Elodie Caboux, IARC
12:30-13:30	Lunch - IARC Canteen	
13:30-14:00	Associated data and LIMS for data management	Dr Elodie Caboux
14:00-14:30	The importance of standardized coding for cancer registry: principles of ICD-O coding	Dr Behnoush Abedi-Ardekani, IARC
14:30-15:30	International guidelines on Ethics issues related to biobanking	Dr Maimuna Mendy
15:30-16:00	Coffee and Poster Sessions	
16:00-17:00	Ethics committee procedure in Africa	WAD-IAP
17:00-17:15	Course Evaluation	Ms Anouk Berger

Wednesday, August 31

09.00 – 10.30	ABC of prostate biopsy interpretation, including pitfalls and mimickers
10.30 – 11.00	Break
11.00 – 12.30	Plasma cell neoplasms and B-cell lymphomas: Current issues in diagnosis - Dr Kemi Esan

12.30 - 1.30	Lunch break
1.30 - 3.30	Platform abstract presentations (8)
3.30 - 4.00	Coffee break
4.00 - 5.00	Annual General Meeting of WADIAP
6.00 – 9.00	WADIAP Dinner and Awards Night

Thursday, Sept 1

9 – 10.30	A short review of common testicular neoplasms - Dr van der Kwast
10.30 – 11.00	Break
11.00 – 12.30	Case studies of nodal T-cell and B-cell lymphomas - Dr Kemi Esan
12.30 – 2.00	Lunch Break
2.00 – 3.00	Elements of a Quality Management Plan - Dr Adesina
3.00 - 3.30	Questions and Answers - All faculty
3.30 - 4.00	Coffee break
4.00 – 5.30	Certificate Presentations and closing remarks

Friday 2nd September

Sight Seeing

Departure

West African Division of IAP
11th Annual Pathology Conference and
USCAP-WADIAP School of Pathology
August 28 – 30, 2017

Faculty:

- Dr Vijay Padmanabhan Professor of Pathology and Immunology, Baylor College of Medicine
- Dr Daniel Dim Associate Professor, Director of Anatomic Pathology, UMKC School of Medicine, Truman Medical Center Hospital Hill, Kansas City, MO
- Dr Adekunbiola Banjo Professor of Pathology, College of Medicine, University of Lagos
- Dr Adekunle M Adesina Professor of Pathology, Immunology and Pediatrics-Hematology/Oncology, Texas Children's Hospital, Baylor College of Medicine

Conference theme
Cytopathology in Oncological Diagnoses

Sub Themes:

1. The state of Cytopathology in West Africa
2. The role of Cytology in Cervical Cancer Prevention in the era of HPV testing
3. The Role of FNA in cancer diagnosis

Sunday, August 27

Arrival/Registration

MONDAY, AUGUST 28

- 8.00 – 11.00** **Registration and Opening ceremony at Capital View Hotel Conference room**
- 9.00–9.15 Opening Remarks – President, West African IAP
- 9.15 – 9.45 Guest speaker's address – DG, Ghana Health Service

- 9.45 - 10.10 Guest of Honor's remarks/Opening of Conference –
Hon. Minister of Health
- 10.15 – 10.45** SNACK for all participants and invited guests
- 10.15 – 11.30 Opening Lecture
The state of Cytopathology in West Africa – Prof. Kunbi
Banjo
- 11.30 – 1.30 Lecture 2
The future of Gynaecologic Cytology in the era of HPV
testing: Squamous lesions – Prof Vijay Pramanabhan
- 1.30 – 2.30** LUNCH
- 2.30 – 4.00 Lecture 3
The future of Gynaecologic Cytology in the era of HPV
testing: Glandular lesions – Prof Vijay Pramanabhan
- 4.00 – 4.30** SNACK
- 4.30 – 6.30 Presentation of Abstracts 1

TUESDAY, AUGUST 29

- 8.30 - 10.00 Lecture 1
Current classification of breast tumours: An update – Dr
Daniel Dim
- 10.00 – 10.30 SNACK
- 10.30 - 12.00 Lecture 2
FNA and Head/Neck with emphasis on Thyroid, Lymph
nodes and salivary gland neoplasms – Prof Vijay
Pramanabhan
- 12.00 - 1.30 Lecture 3

	Diagnostic utility of core biopsies in the management of breast lesions – Dr Daniel Dim
1.30 – 2.30	LUNCH
2.30 – 4.00	Lecture 4 Serous cavities : Pleural, peritoneal and pericardial – Prof Vijay Pramanabhan
4.00 – 4.30	SNACK
4.30 – 6.30	Presentation of Abstracts 2

WEDNESDAY, AUGUST 30

8.30 – 10.00	Lecture Cytopathology and intraoperative diagnosis of brain tumours – Prof Adekunle Adesina
10.00 – 10.30	SNACK
10.30 – 12.00	USCAP Interactive e-learning Diagnostic challenges of prostatic core biopsies
12.00 - 12.30	Survey
12.30 – 1.30	LUNCH
1.30 - 3.30	Business meetings/other business matters
3.30 – 5.00	Awards, announcements and closing
6.00	CONFERENCE DINNER

THURSDAY, AUGUST 31

9.00	TOURS AND/DEPARTURE
------	----------------------------

International Agency for Research on Cancer

One-day Training Course on Technical Aspects of Tissue Processing – West Africa Division of International Academy of Pathology (WAD-IAP)

30 August, 2016

Sponsored by IARC

08:00-09:00	Registration	
09:00-09:30	Introduction to Biobanking	Dr Maimuna Mendy, IARC
09:30-10:30	Role of pathologists in the current scientific and research era: a. Appropriate processing of tissue samples for diagnosis and research: do we need to have two different approaches? b. Ancillary diagnostic methods i. Brief review of available methods ii. Role of quality assurance iii. How we can rely on our findings? c. Molecular pathology: needs and benefits i. What kind of samples in a clinical set up could be used? ii. The link between standardized tissue processing and molecular pathology	Dr Behnoush Abedi-Ardekani, IARC
10:30-11:00	Coffee Break	
11:00-11:30	Role of pathologists in the current scientific and research era, cont'd	Dr Behnoush Abedi-Ardekani, IARC
11:30-12:30	Preanalytical steps in sample handling	Dr Elodie Caboux, IARC
12:30-13:30	Lunch - IARC Canteen	
13:30-14:00	Associated data and LIMS for data management	Dr Elodie Caboux
14:00-14:30	The importance of standardized coding for cancer registry: principles of ICD-O coding	Dr Behnoush Abedi-Ardekani, IARC
14:30-15:30	International guidelines on Ethics issues related to biobanking	Dr Maimuna Mendy
15:30-16:00	Coffee and Poster Sessions	
16:00-17:00	Ethics committee procedure in Africa	WAD-IAP
17:00-17:15	Course Evaluation	Ms Anouk Berger
